EAN:

Sandberg Bluetooth Earbuds Touch Pro offers you wireless stereo sound in a class of its own. You get an attractive earphone for each ear, which sits comfortably and discretely in your ear. Connects easily to a Bluetooth device such as a smartphone, a tablet or a PC. When connected, you are instantly ready to listening to audio or to have conversations. You are free of physical buttons, as the earbuds are simply operated by a touch button on the smooth surface. The earbuds are conveniently charged in the enclosed charging case.
